BECOME A VENDOR AT THE TASTE OF THE CATSKILLS FESTIVAL

Last year the Taste of the Catskills Festival was a great success for a first year event. Many of the vendors had their best days ever. This year we are organizing two festival weekends — July 2 & 3 and October 8 & 9. If you sign up for both weekends, discounts apply. Many people brought their own tables last year, so we are not including tables or chairs in the booth cost. However, we will rent them for you.

Last year we publicized the festival running from 10AM-5PM each day, with dinner following. There were throngs of people still in the main tent eating. This year we will have the same starting time. However, we are not going to have a hard and fast ending time. We ask that all vendors maintain a fully open booth until 5PM. After 5PM it is up to you whether or not you want to keep your booth open.

During the Summer Fest, we expect the crowds to remain much later, as the temperature should be much nicer. And, we hope to have fireworks should we procure a sponsor.

We are also looking into rain insurance. This will be a policy that will pay out if a certain amount of rain falls during the day. If you are interested in buying into this policy for your own coverage, please let us know. As soon as we know the rates, we will notify you.
